

BOOSTING THE ECO-PRENEURIAL SKILLS OF NEETS

2022-2-FR02-KA220-YOU-000098683

1. Project Snapshot

- **Goal:** Equip NEETs (Not in Education, Employment, or Training) with skills and motivation to become eco-entrepreneurs.
- **Countries Involved:** France, Greece, Hungary, Netherlands, Poland
- **Target Group:** Young NEETs aged 18–30
- **Total Participants Involved:** more than 650

2. Key Results by Deliverable

Desk Research Reports

- 67 NEETs & 73 stakeholders participated
- National analyses identified challenges & support gaps

Training Activities

- 200 NEETs trained using the eco-entrepreneurship curriculum
- Skills gained: Business planning, green innovation, and more

Mentoring & Coaching

- 128 NEETs mentored
- Personalized support helped shape real eco-business ideas

Co-Creation Workshops

- 5 national workshops
- 77 participants (stakeholders, NEETs, mentors)

3. Composite Reports: Key Findings

- **Barriers Identified:** Lack of funding, confidence, and practical experience
- **Support That Worked:** Mentoring, local role models, peer exchange
- **Outcomes:** Boosted motivation, real business planning, stronger community ties

4. Quotes from the Field

“Thanks to the mentoring sessions, I now have a clear business idea and a plan to implement it.”
– NEET participant, Poland

“The training gave me the confidence to explore my own eco-business idea.”
– NEET participant, France

“I feel less alone and more capable. The other NEETs and mentors made me believe in myself.”
– NEET participant, Greece

“We need more programs like this – they not only train but truly empower youth.”
– Stakeholder, Hungary

“This project showed that young people care about the planet—they just need the right support.”
– Workshop facilitator, Netherlands

5. Lasting Impact

- 328 NEETs directly trained or mentored
- 333 stakeholders/community members engaged
- A scalable model to inspire eco-entrepreneurs across Europe

Dissemination Events

- 5 events across Europe
- 138 people reached

**We implemented more than 140 Dissemination Activities
Through these activities more than 11.000 People were reached**
